complete two bedroom home! The family kitchen area extends the width of the home. Sliding glass doors open to the outdoors. The kitchen comes equipped with 14 cu. ft. frost-free refrigerator- freezer, oven and range with hood, disposal, stainless steel sink and counters. Two good size bedrooms have excellent closet space as well as an additional closet for linens. The bath has a vanity sink and partially styled molded tub and walls. Acoustically engineered walls provide sound conditioning. The Fairmont has wall-to-wall carpeting in all major living areas, storms and screens and a full basement. Beautifully designed exteriors and landscaping enhances the Avon Hills community.

big beautiful three bedroom model with one bath upstairs and an extra powder room on the first floor. The excellent wall space of the living room gives you the opportunity for imaginative furniture arrangements. The rear of the home contains the large country kitchen. Here, you'll plan your use according to your individual needs. Extravagant cupboard space with beautifully finished wood cabinets form an L-shape over the counters. A 14 cu. ft. frost-free refrigerator-freezer, oven and range with hood, disposal and stainless steel sink are all included. The delightful multi-purpose area opens to the outdoors through sliding glass doorwalls. The Fairfield has carpeting throughout all major living areas, storms and screens, acoustically engineered wall and floor system and a full basement. The variation of the exterior designs and the landscaped grounds enhance the Avon Hills community.
